Dear Parents and Guardians,

Kindly treat this as an urgent notification to complete school fees payment to avoid disruptions to your ward/s education. Immediate action through the online payment portal or school office visit is crucial.

Only if the school fees payment is made up to and including August 2026 will your ward/s be allowed to appear for the Class Assessment/Half Yearly/Selection Examination (2026-2027).

Outstanding Fees for the last three months may result in the names of your ward/s being struck off the school register with immediate effect.

Your co-operation is crucial in ensuing a smooth academic experience for your ward/s

Thanking you in anticipation of your prompt action.
